

St. Mary Church

Office of the Administrator
Reverend Dawid J. Wejnerowski

Praised be Jesus Christ!

At the beginning I would like to welcome each, and every one of you as the new administrator of this great family of St. Mary's parish. I do it with this traditional Christian greeting. As our Lord and Redeemer Jesus Christ should always be at the very center of our lives. To accomplish this basic Christian task and duty we shall look at the patroness of our parish – Blessed Virgin Mary our Mother, and Mother of our Lord. Example of Her life beautifully leads us to the mystery of the childlike obedience to the will of the Father which is the only way toward our ultimate goal – the salvation of our souls.

As the new administrator I want to promise you that I will do everything what I can to lead you closer to the heart of Jesus thru the heart of His and our Mother - Mary. I deeply believe that my first and the most important role as a spiritual leader to this community is to be the shepherd on which you can rely with all your spiritual struggles, needs and concerns. Nonetheless there is also a physical (material) aspect of being a good shepherd on the image and likeness of our Lord. As "Faith and reason are like two wings on which the human spirit rises to the contemplation of truth" (St. John Paul II, "Fides et Ratio", 1998). On the same way spiritual and physical aspect of our life as God's beloved children leads us to more complete understanding of our human nature and divine origin.

Speaking of what is physical and material – yes, I am aware of things which need to be done in the context of keeping our common home in the good shape. Some needs clearly appear more prior than the others. One of them (what we can literally feel) is our broken air conditioning system. Obviously, this is so unfortunate that it came to happen now when we are facing one of the hottest days of the year. I can promise you that this matter will be at the very center of my attention right now as well as our old trees around the church property which obviously are in danger to fall when facing strong wind. Unfortunate but realistic are costs associated with fixing of these and other issues. As you probably know we are not very wealthy parish anymore, which part of this is the result of the pandemic. Saying this, without your heartfelt and carrying help it will be very difficult to fix these problems. I deeply believe that your love for the Christ and His Church, and the deep sense of responsibility of our common home will lead your hearts toward good conclusions. Every single donation will make a change. While writing this letter I just found out that there is a problem with our second AC unit which is right now under the checkup – if this could be even eligible to fix. Up front I want to already thank you for all your heartfelt donations and support. May Good God bless you and provide you with all the blessings and graces you need!

Thank you for taking the time to read this letter. I am looking forward to work with you and for all of you as the best possible leader and guide toward the loving and merciful heart of Our Lord and Redeemer Jesus Christ. May His and our Mother – Blessed Virgin Mary, Patroness of our parish help us to become better humans and Christians through the obedience to the Holy Will of Our Father. May the Blessing of Almighty God descend upon you and remain with you forever!

With endless gratitude, prayer and love,
Yours in Christ,

Fr. Dawid J. Wejnerowski
